Becoming a Better Teacher Giselle O. Martin-Kniep 2000-01-01 Discusses

eight innovations that support a student-centered classroom, including curriculum integration, authentic assessment, and portfolios.

Sources of Holocaust Insight John K. Roth 2020-01-29 Sources of Holocaust Insight maps the odyssey of an American Christian philosopher who has studied, written, and taught about the Holocaust for more than fifty years. What findings result from John Roth's journey; what moods pervade it? How have events and experiences, scholars and students, texts and testimonies—especially the questions they raise—affected Roth's Holocaust studies and guided his efforts to heed the biblical proverb: “Whatever else you get, get insight”? More sources than Roth can acknowledge have informed his encounters with the Holocaust. But particular persons—among them Elie Wiesel, Raul Hilberg, Primo Levi, and Albert Camus—loom especially large. Revisiting Roth's sources of Holocaust insight, this book does so not only to pay tribute to them but also to show how the ethical, philosophical, and religious reverberations of the Holocaust confer and encourage responsibility for human well-being in the twenty-first century. Seeing differently, seeing better—sound learning and teaching about the Holocaust aim for what may be the most important Holocaust insight of all: Take nothing good for granted.

Wer zählt die Sterne Lois Lowry 2005

Divine Power and Evil Kenneth K. Pak 2016-04-06 Evil perplexes us all and threatens to undermine the meaningfulness of our existence. How can we reconcile the reality of evil with the notion of a God who is perfectly good and powerful? Process theodicy, whose foremost proponent is David Griffin, suggests one answer: because every being possesses its own power of self-determination in order for God to attain the divine aim of higher goodness for the world, God must take the risk of the possibility of evil. *Divine Power and Evil* responds to Griffin's criticisms against traditional theodicy, assesses the merits of process theodicy, and points out ways in which traditional theism could incorporate a number of Griffin's valuable insights in progressing toward a philosophically and theologically satisfactory theodicy. It provides a new and important contribution to a long-standing debate within philosophy of religion and theology.

From Tired to Inspired Mary Kim Shreck 2012-12-05 Discover research-based tips and strategies to improve literacy from upper elementary to secondary school classrooms. Teachers, preteachers, and teacher preparation institutions will find this an invaluable resource for helping students master assignments in reading, writing, speaking, and listening, as encouraged by the Common Core State Standards. Witness Literature in Byzantium Adam J. Goldwyn 2021-08-06 This book analyzes Byzantine examples of witness literature, a genre that focuses on eyewitness accounts written by slaves, prisoners, refugees, and other victims of historical atrocity. It focuses on such episodes in three nonfictional texts – John Kaminates' Capture of Thessaloniki (904), Eustathios of Thessaloniki's Capture of Thessaloniki (1186), and Niketas Choniates' History (ca. 1204–17) – and the three extant twelfth-century Komnenian novels to consider how the authors' positions as both eyewitness and victim require an interpretive method that distinguishes witness literature from other kinds of writing about the past. Drawing on theoretical developments in the fields of Holocaust and Genocide Studies (such as Giorgio Agamben's homo sacer and Michel Foucault's biopolitics) and comparisons with modern examples (Elie Wiesel's Night and Primo Levi's If This is a Man), Witness Literature emphasizes the affective, subjective, and experiential in medieval Greek historical writing.

What Should I Do? Anna Ershler Richert 2012 *What Should I Do?* is a practical guide to the everyday dilemmas of the urban classroom. It offers a lifeline to both beginning teachers who are struggling to be successful and to the teacher educators who are trying to prepare them for these challenges. The author uses narratives of practice, written by novice teachers, to help readers experience a variety of dilemmas they are likely to encounter in the classroom. By engaging with and analyzing the cases, readers come to see that the "problems" of teaching are actually "dilemmas" that have no clear-cut right or wrong solution, thus reducing

the potential for frustration and despair often felt by teachers. This practical resource will empower teachers to transform the unpredictable world of troubled schools into places of learning and hope, for both themselves and their students. As a former teacher said, "I wish I had read this book and realized that I wasn't expected to have all the answers. I would probably still be teaching."

Elie Wiesel and the Art of Storytelling Rosemary Horowitz 2014-11-01 Elie Wiesel is a master storyteller with the ability to use storytelling as a form of activism. From his landmark memoir *Night* to his novels and numerous retellings of Hasidic legends, Wiesel's literature emphasizes storytelling, and he frequently refers to himself as a storyteller rather than an author or historian. In this work, essays examine Wiesel's roots in Jewish storytelling traditions; influences from religious, folk, and secular sources; education; Yiddish background; Holocaust experience; and writing style. Emphasized throughout is Wiesel's use of multiple sources in an effort to reach diverse audiences.

Joshua and Isadora Michael Benanav 2008 Recounts the story of Joshua Szereny and Isadora Rosen's meeting, courtship, and marriage while en route to Turkey to escape the Holocaust.

Man's Search for Meaning: Young Adult Edition Viktor E. Frankl

2017-04-25 A young adult edition of the best-selling classic about the Holocaust and finding meaning in suffering, with a photo insert, a glossary of terms, a chronology of Frankl's life, and supplementary letters and speeches Viktor E. Frankl's *Man's Search for Meaning* is a classic work of Holocaust literature that has riveted generations of readers. Like Anne Frank's *Diary of a Young Girl* and Elie Wiesel's *Night*, Frankl's masterpiece is a timeless examination of life in the Nazi death camps. At the same time, Frankl's universal lessons for coping with suffering and finding one's purpose in life offer an unforgettable message for readers seeking solace and guidance. This young adult edition features the entirety of Frankl's Holocaust memoir and an abridged version of his writing on psychology, supplemented with photographs, a map of the concentration camps, a glossary of terms, a selection of Frankl's letters and speeches, and a timeline of his life and of important events in the Holocaust. These supplementary materials vividly bring Frankl's story to life, serving as valuable teaching and learning tools. A foreword by renowned novelist John Boyne provides a stirring testament to the lasting power of Frankl's moral vision.
