Locating Shakespeare in the Twenty-First Century Gabrielle Malcolm 2012-03-15 The first decade of the new century has certainly been a busy one for diversity in Shakespearean performance and interpretation, yielding, for example, global, virtual, digital, interactive, televisual, and cinematic Shakespeares. In Locating Shakespeare in the Twenty-First Century, Gabrielle Malcolm and Kelli Marshall assess this active world of Shakespeare adaptation and commercialization as they consider both novel and traditional forms: from experimental presentations (in-person and online) and literal rewritings of the plays/playwright to televised and filmic Shakespeares. More specifically, contributors in Locating Shakespeare in the Twenty-First Century examine the BBC's ShakespearE-Told series, Canada's television program Slings and Arrows, the Mumbai-based film Maqbool, and graphic novels in Neil Gaiman's Sandman series, as well as the future of adaptation, performance, digitization, and translation via such projects as National Theatre Live, the Victoria and Albert Museum's Archive of Digital Performance, and the British Library's online presentation of the complete Folios. Other authors consider the place of Shakespeare in the classroom, in the Kenneth Branagh canon, in Jewish revenge films (Quentin Tarantino's included), in comic books, in Young Adult literature, and in episodes of the BBC's popular sci-fi television program Doctor Who. Ultimately, this collection sheds light, at least partially, on where critics think Shakespeare is now and where he and his works might be going in the near future and long-term. One conclusion is certain: however far we progress into the new century, Shakespeare will be there.

Early Retirement a Roadmap to Success Joe Thomas Potuzak Sr 2010-12 Having retired early in life at the age of 45, back in the late 80's, has been very advantages to me. It gave me the time to devote many thousands of hours to this project and it should be very beneficial to you, as a reader. This book illustrates what has worked very profitably for me in the past and continues to work profitably to this day. In this book, there are valuable tips and some good sound financial and fundamental information. As President of three Corporations and three companies, from 1965 to present day, it has kept me quite busy over time. In the 90's, as Owner, Producer, Director, and Host of a popular Radio Travel Show in southwest Florida, I was quite content. At the time, I felt I had done quite a bit in my life, but I also felt one project was missing. I had been asked many times, how I retired so young, and how I achieved my success in life. So one day in 2004, I said to myself why not sit down and write about it, hence this book. I do say at times, I am really in semi-retirement, very busy having fun. This book was written with good intentions, morals, and family values. As you read on, it is for all to enjoy, from ages 9 to 90. "Early Retirement: A Road Map to Success is a timeless book."

Understanding and Overcoming Your Emotional Issues-A Biblical Perspective and Solution Waltere Koti 2019-05-09 If you were to watch the news lately, you will notice that opioid addiction has been declared a national crisis as many turn to drugs and other substances like alcohol, marijuana, cocaine, wine, and spirits to control their mind and thought process. Many also turn to psychiatrists to get relief from prescription medication. All these drugs, legal or illegal, have one thing in common: temporal and intermittent control of your feelings, emotions, and mind. A few years ago, while training as chaplain, we had a guest speaker who is a psychiatrist with more than thirty years' experience. She came to give a speech on emotional issues, and I raised my hand and asked her this fundamental question: what causes depression? Her response was, "Cause is unknown." This response troubled me as I thought to myself, if the cause is unknown, then why are millions of people being medicated? This book seeks to answer a fundamental question: are emotional issues like loneliness, fear, anxiety, depression, and suicidal thoughts medical or spiritual issues? Your response to this question will determine where you go for help.
